

**CUSTOM: 15/180 INCH (Very Tight)**  
Line 1: Very tight line spacing.  
Line 2: Maximum density printing.  
Line 3: 12 lines per inch.  
Line 4: Use for condensed reports.  
Line 5: May reduce readability.  
Line 6: Good for raw data output.

---

**CUSTOM: 45/180 INCH (Expanded)**  
Line 1: Expanded line spacing.  
Line 2: More whitespace between lines.  
Line 3: Good for titles and headers.  
Line 4: Easy to read and annotate.

---
