

Code Blocks

Default (Courier + border):

```
const sum = arr.reduce((a, b) => a + b);
```

Without border:

```
npm install espc-ts
```

Inline & Custom Typeface

Use `console.log()` for debugging

Code with Roman typeface:

```
function hello() {}
```

Code with Sans Serif:

```
class MyComponent {}
```

7. COMBINED STYLES

Typeface + CPI + Style Combinations
