AUTO MARGINS FOR CENTERING

==

Auto margins automatically center elements horizontally.
This is similar to the CSS "margin: 0 auto" technique.

BASIC AUTO MARGIN

Text centered with margin: "auto":

This bo
Using m

SELECTIVE AUTO MARGINS

Using { left: "auto", right: "auto" } with top/bottom values:

Centered
Top: 20

MULTIPLE CENTERED ELEMENTS

Several elements, each centered independently:

Wide cente

Medium

Sma

AUTO MARGIN VS ALIGN CENTER

Auto margin (element is centered):

[======

Align center (text within element is centered):

[======

PRACTICAL EXAMPLE: CENTERED CARD
